Dear Parents/Guardians,

We are excited to advise you that we are adopting a new system named Operoo. Some people may have already used this system.

The Operoo system makes it very easy for you to respond to field trip, blue cards, registration, and other consent forms using your mobile phone, tablet or PC. No more paperwork! No more lost forms or notes found in the bottom of the backpack, no more concerns about children missing out on information when they are absent.

It will greatly reduce the burden on you to provide information that is repetitive. For example, it will allow you to keep your or your child's emergency contact up to date; so you don't need to repeat this information again whilst your child is at George Westinghouse High School. It also keeps you informed of all form requests, events, important dates, registration and backpack letters.

We do need a valid email address or cell phone number from you in order to use the Operoo system. Please share those details with us via the school's website at www.westinghousehs.org.

You don't need to do anything else until you receive an email invitation from us asking you to sign up for your Operoo account. After that, you'll receive notifications whenever there is an electronic form to complete or a backpack letter to view for George Westinghouse High School.

From George Westinghouse's perspective, you or your child's information will only be visible by the relevant staff for you or your child and will be managed in accordance with our privacy policies. Details about Operoo's security and privacy procedures can be found here: <https://www.operoo.com/terms-policies-security/>.

Please feel free to contact us if you have any questions. You can visit the Operoo website for more information here: www.operoo.com. There is also a parent introduction page here: <https://www.operoo.com/intro-for-parents/>.
